Dear Members:

Thank you so much for your donations of \$350.00 for two bricks on the Walk of Honor® in the National Fallen Firefighters Memorial Park. Your generosity will help the National Fallen Firefighters Foundation build a lasting tribute to America's fire service. The enclosed certificate is a symbol of our appreciation for your support.

The Foundation's Web site, [www.firehero.org](http://www.firehero.org), lists each of the donated bricks and its location on the Walk, as well as images from the Park. Bricks ordered between January 1<sup>st</sup> and June 30<sup>th</sup> will be placed at the end of September. Those ordered between July 1<sup>st</sup> and December 31<sup>st</sup> will be placed in May.

When completed, the landscaped walkway will connect the different sections of the Memorial Park - the National Monument, the historic Fallen Firefighters Chapel and the Memorial Plaza. The fire service deserves a permanent National Memorial Park. We are proud to add your name to the list of those making this Park a reality.

We hope you can visit the Memorial Park to see the tribute you helped make possible.

Sincerely,

A handwritten signature in black ink, reading "Ronald Jon Siarnicki".
