Dear Brazos County Precinct 3 Volunteer Fire
Department,

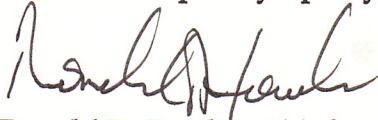

It always brings a great sense of remorse when there is the loss of a brother or sister in the fire service, as we are considered second family. While words of comfort can only go so far in easing your time of great suffering, we wanted to let you know that the Danes family and the Brazos County Precinct 3 Volunteer Fire Department have our greatest sympathy, our hearts are truly saddened. Firefighter Danes' passing will not only leave a void in your lives, but in the hearts of all those who knew him.

Firefighter Danes will always remain in the hearts of those who knew and loved him, and we have included his family and your organization in our daily prayers. May God our father give you strength.

If there is anything that we can do to assist you to whatever extent we are able, please do not hesitate to contact us at anytime.

Our prayers and thoughts are with you.

With our deepest sympathy,

A handwritten signature in dark ink, appearing to read "Ronald D. Fowler". The signature is fluid and cursive, with the first name "Ronald" being more prominent.
