

**David Crockett Steam Fire Company. No. 1**

The Officers and Members of  
David Crockett Steam Fire Company No. 1

join in extending Heartfelt Sympathy  
to you and your department at this

Time of Sorrow.

**Michael A. Labruzzo**  
**Fire Chief**

The David Crockett Steam Fire Company No. 1  
was organized on May 7, 1841, and is the  
*"Oldest Continuously Active Volunteer  
Fire Company in the U.S.A."*

The fire station depicted on the cover, built in 1859,  
houses the Company's 1876 Steam Fire Engine.  
Both are on the National Registry of Historical Places.  
Today this station serves as the home of the  
*Louisiana State Fire Museum.*
